The 1st Twin2Go newsletter

Twin2Go's first issues of its newsletter "Synthesising research for adaptive water governance" was distributed in month eight of the project. Individuals can subscribe to the newsletter from newsletter@twin2go.eu or download the PDF version from the project's website at <http://www.twin2go.uos.de/downloads/37-newsletters> .

The four-page newsletter includes the following categories:

- **Introduction**
- **News**
 - Information about the project kick-off
 - Information about the upcoming analytical framework
- **Upcoming activities**
 - Information about the analysis workshops during March-June 2010
 - Information about the synthesis workshop August-September 2010
- A brief description of adaptive water governance
- **Related initiatives**
 - ASEM WaterNet meeting in Changsha
 - Brahmawinn workshop and symposium
 - WETwin workshop and stakeholder meeting
- Project contact information

Periodic newsletters will be published every 6 months and will keep subscribers updated about Twin2Go's progress and related news. The response to the first issue was very encouraging and over 80 individuals subscribed per email in the first few weeks after electronic distribution.

The 1st Twin2Go newsletter is attached to this report.
